 - Set meeting times for sprint 2
 - Standardize file names

Task Assignments:

Task Description	Assigned to
<ul style="list-style-type: none">- Basic HTML structure and styling - Analytics Section- Add HTML buttons for each report	William Hipp

Minutes from Previous Meeting

Biggest roadblock has still been establishing the back-end connection with node. With the powerpoint slides from lab we have been able to make progress on this end and have a more clear idea of what to do going forward.
