Siddharth Nair
<ul style="list-style-type: none">• Link google translate to all pages.• Add what sells together report to report section.• Add functionality to update the menu.• Add javascript components to the manager's menu panel.	Austin Veselka

Minutes from Previous Meeting

We completed most of the tasks we assigned for sprint 1. We managed to get everything done except for completing the reports which will be appended to sprint 2.

We walked about what we might want to get done by the end of sprint 2.
